

**DELIVERING  
CUTTING-EDGE EXPERTISE  
TO LEADING-EDGE COMPANIES**

**Griffin Global Systems (GGS)** knows that finding quality candidates that can begin contributing to the organization on day-one consumes time, energy and resources. The hiring process places an unnecessary burden on the HR Department and existing hiring managers that could be employed elsewhere. Griffin Global offers you a way to get the best technology consultants to lead your projects in a timely manner, finding qualified consultants that traditional search methods cannot deliver.

Griffin Global Systems has a robust, proprietary qualification approach to hiring that allows us to seek and vet skilled consultants in the technology space and present them to hiring companies as ready-to-go consultants.

**Griffin Global Systems offers Key Skills for Government Clients and Partners:**

- ▶ **Enterprise Data** - Data Science/Big Data, Data Visualization/Next Gen Business Intelligence, NoSQL/NewSQL/Non-Relational Big Data Databases
- ▶ **Infrastructure and Cloud Technology** – Security, Cloud Architecture and Migrations, Networks, Virtualization, Systems, Servers and Operating Systems, Storage, Mainframe, Voice
